CEO's MESSAGE

Message from CEO of elevation melamine' Vision for a Better Future. He is passionate about quality, and he wants elevation products to be of the highest quality. He is on his way to be the best CEO – or company president – and elevation's vision is to bring a vision to the world through wonderful products that people will love. He has decided to take on a leadership role with elevation melamine to make sure that their product reaches all corners of the world and gets into the hands of as many people as possible. His passion and his plan to make elevation melamine products better reach even greater heights in popularity. Message from CEO is to elevation melamine' Vision for a Better Future.

Your work is going to fill a large part of your life, and the only way to be truly satisfied is to do what you believe is great work. And the only way to do great work is to love what you do.”

About Us

ELEVATION® Melamine is one of the oldest and largest manufacturers of Melamine Table ware in Pakistan Since 1990. Based on local ingenuity and the designs the company is proud to have the work force of Pakistani nationals that form the core component of its product designs. With the use of all the latest technology and creative minds of Pakistan, the company has been able to hold its own front against competition in not only domestic but foreign markets as well.

The Full range of products with registered trade marks of ELEVATION® was developed by the company it self. And has become a well known brand in table ware industry. ELEVATION® is only ISO 9003:2015 certified company manufacturing Quality Melamine Ware in Pakistan.

According to its development strategy “Technology first”, the company has dedicated itself to scientific and technological innovation. Because of the comprehensive program and the updated technology, the company, equipped with the high level buildings, the advanced production technology introduced and automatic controlled devices, the efficient local-made accessory production lines.

With” Quality is remembered long after price is forgotten” as its motto, the company has setup a complete management system, attaching the greatest important to the quality, environmental protection, safety and good service. Following its principle of learning from other’s strong points, Leading the fashion, and perfecting the products, the company has set itself a target of meeting international standards and getting itself well-prepared for the competition and challenges from the counterparts all over the world.

ELEVATION® Enduring Series in the new addition into Diverse range of products. Enduring as the word itself symbolizes the quality of the product. ELEVATION® gives you guarantee of a life time use of this product and assure its customers health and safety standard.

Vision and Mission

Aims to be a Global Leader in MFMC products category with goals of being the market leaders in all the regions we serve.

To cater to the needs of our customers in Pakistan and overseas by providing only the best high-quality products and services.

With customer centricity as our abiding principle, our promises are based on reliability, integrity and our consistent resoluteness to perform better.

Our Values

We place great emphasis not only on the quality of the products but are also aimed to earn the gratification of clients. The morale and skills of every individual associated with our business operations is highly appreciated by us and we have developed policies for their complete contentment. Prioritizing reliability and clients trust are what has led us achieve success and growth in this domain.

Our core values are

- Commitment to Innovation and Excellence
- Commitment to Sustainability
- Commitment to Quality and Loyalty
- Commitment to Safety

Quality Assurance

Quality of our products has become the edifice of our organization. In order to ensure absolute quality in our products, we have developed a dedicated quality control department that is equipped with all the necessary testing equipment and tools. Our team of quality controllers is experienced and skilled enough to understand the prevailing quality requirements of the industry. Moreover, our professionals are well-versed with the recent market developments as we carry out regular surveys to keep in line with those advancements.

Infrastructure

Our company is backed by a large infrastructural facility which is efficiently departmentalized into different subunits. Each subunit is designated to conduct a defined operation. We have carried out this segregation process in order to maintain proper workflow and coordination among various processes. Moreover, this facility is equipped with advanced machinery and technology that helps in assuring efficiency in all the functioning processes. Due to the presence of this widespread and fully functional infrastructural backup, we have been able to cater to the bulk order of our clients promptly.

Our Team

A team of highly qualified and dexterous professionals is functional with us. These professionals carry rich experience of the industry and are capable of fulfilling each and every requirement of our client. Moreover, our team of procuring agents source best quality material from reliable market vendors to ensure durability and excellence of our final product. In addition to this, these professionals make every possible effort to achieve the goal of our company.

Why Elevation Melamine is good for you?

When you set out to buy your tableware, you search for elegance, usefulness and durability. The one thing you may miss out on is safety. Ordinary tableware is known to contain toxic chemicals that can seep into your food potentially put you and your family at risk. To ensure safety, cello introduces its melamine range of tableware made from an organic compound called melamine that is guaranteed 100% Food Grade, BPA Free, Shatter Proof, Dish Washer Safe and heat Resistant for Up to 140C. Even the ink used for printing The melamine designs are made from 100% food Grade Ink. Its Is this quality assurance that Makes cello one of the most trusted brands. Eat Well, Live Well, and stay well with cello Melamine.

We focus primarily on providing a wide assortment of quality assured products to the clients, therefore we strive hard to be amongst the best in the domain. Our quality commitments have helped us gain a strong association with the clients that is enduring as well as ever-lasting.
